## ALEXANDRA ROAD SEAL HILLCLIMB 17 March 2024

7 March 2024

Thank you for entering the Alexandra Road Seal Hillclimb. Your entry has been accepted. The following includes important information.

### **Documentation and Scrutineering**

Documentation and Scrutineering is from **11:00am to 1:00pm** on **Saturday 16 March** at Racetech, 18 Barnes Street, Seaview, Lower Hutt. Please be considerate when parking and manoeuvring. Do not park anywhere that blocks access to any driveway etc. Documentation will be in the Showroom and Scrutineering will be in the front of the building.

If you are not able to make it on Saturday, please call or email so arrangements can be made for you to complete the process on Sunday morning at the venue, between 8:00am and 8:30am, prior to Drivers Briefing.

### ***All drivers must produce the following at Documentation / Scrutineering:***

- Protective Helmet and Overalls that are to be used during competition, including any to be used by passengers.
- Fire Extinguisher.
- Tyres intended for use at the event
- Log Book (if your car has one).

Remember, any driver wishing to take passengers must have their car scrutineered to do so.

Be prepared to show your race licence, club membership, and civil licence at Documentation if requested.

### **Pit Parking**

Please place all trailers in the parking area shown on the attached plan, to allow enough space in the pit area.

### **Fuel Handling**

It is highly recommended that vehicles are not refuelled at the event. Being a short course there should be no need to do this. If refuelling is required then this must be done in the pits and in accordance with the MSNZ Code of Practice for the safe handling and transport of fuel. A copy of the requirements can be found here. <http://motorsport.org.nz/technical/fuel/>

### **Protective Clothing**

Competitors are reminded of the clothing requirements. You and any passengers are required to have a minimum of either double layer overalls or single layer with 100% cotton or wool underwear. There are also minimum requirements for socks and shoes. Relevant info is contained in clause 4.3 - Protective Clothing: of the motorsport manual. <http://manual.motorsport.org.nz/index.php/knowledgebase/36-2-01a-schedule-a-1/#a1-4>

### **Prize Giving Venue**

The prize giving will be held at the SPCA Ward Room. Please assist in packing down the venue so that we can get prizegiving underway as soon as possible.

Thank you for your participation and we look forward to seeing you at the event.
