

WELLINGTON CAR CLUB (INC.)

Bulletin June - July 2015

Welcome to the June - July Bulletin.

After a brief respite, things are getting busy again for the club. Read on for the latest news.

Clubnight

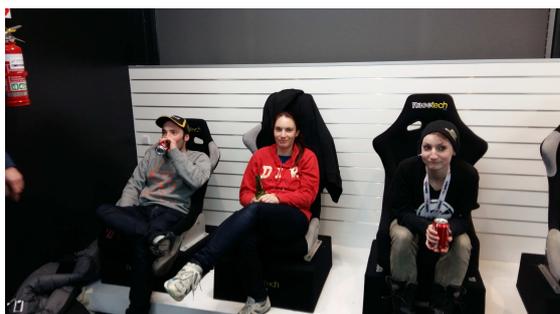

Our next clubnight will be our annual prizegiving. A little delayed this year, but we have lined up yet another great speaker. International co-driver and competitor Fleur Pedersen will be sharing her anecdotes from competing in NZ, Oz, and the wider pacific, including a number of years competing in the APRC with Brian Green.

Thursday 27th August
7.30pm

Location TBC

Make sure you mark it in your diary, it will be yet another great club evening.

Talking of great club nights, a big thank you to Dave, Nick and the team for an excellent club night at Racetech. A rare look behind the scenes and factory tour, combined with good company and conversation. Thanks to all those who attended and organised this event.

Future club nights are being developed, but one we can't miss will be the AGM. This is being planned for September or October. More info to come soon.

Driver Training Day

Sunday – 30th August

Through the hard work of John Lucas the club is again running a driver day at Manfeild. It has been a few years since we last did this, and it is fantastic to be able to run this event again.

Using the 1.5km back track, we will be providing one on one tuition in the morning to show the skills needed to improve your lap times, and then allow

Thanks to Craig Shepherd and his team for their on going support

you to practice those in the afternoon with single car sprints. All with the traditional BBQ lunch provided.

Regs and Entry Forms are out now, but be in quick the field is limited to 25 participants. Visit www.carclub.co.nz and look under the Downloads section. All the info you needs is in the Regs.

Shelly Bay Sealed Sprint Sunday – 20th September

Work is happening in the background for the organisation of this event. Regs and Entry Forms will be available soon. So mark your diary and get ready for our annual blast around the waterfront.

If you are able to assist on this event, please email wcc@seabrightmotorsport.co.nz asap.

Keeping In Touch via Facebook

A big thank you must go out to Don McLean. He has been managing our Facebook page over the last year or so and our online presence has thrived.

We currently have just over 100 members in our club, but we have 581 people following us via our facebook page, about 90 new people in the last few weeks alone. That is a fantastic effort and a great platform to let the public know what we are up too.

Don is keen to get more of our history onto the page and develop it further, so if you have any club history (near or far) don't be afraid to share it with all of us, or at the very least pass it onto Don for him to broadcast.

Assistance Needed

We are looking for some assistance in the following areas.

Bulletin Editor. An easy job to put a few words together and keep the vital role of communication with our membership rolling. It is all done in Microsoft Word, so you don't need to learn any special skills.

One role we would like to re-introduce is that of **Points Keeper.** Minimal work each month, just keeping track of event results.

If you are able to assist with any of these, please contact wcc@seabrightmotorsport.co.nz or talk to Jody.

Thanks to Craig Shepherd and his team for their on going support
