Clubnight - AGM

Our next club night will be our Annual General Meeting.

7.30pm – 24th September
Wellington Car Club, Clubrooms
Russell Terrace, Newtown

Also see the notice of meeting, sent out separately.

With club numbers again starting to grow, and membership back above 80 people, it is time that we look at expanding the club events and participation. This means that the many hands makes light work principal is most appropriate.

Make sure you come down to be part of the democratic process, and to lend a hand at what ever level suits your circumstances.

We all need to pitch in together to make this club thrive, and to honour the huge legacy this club holds in NZ motorsport history.

Rush

Director Ron Howard explores the high-risk, high-reward world of 1970s Formula One racing in this true story of Niki Lauda and James Hunt's duel for the 1976 World Championship. Including Niki's crash and his fight back.

We are currently organising a club night to see this movie, with the idea to hire a cinema just for us. Similar to what we did for The World's Fastest Indian. Hopefully this will be in October, but details on time and place will be advised soon.

Membership Renewal

As you will probably be aware, due to having been sent an invoice, your membership is due for

renewal. The annual roll over is 31 July, so make sure you get your payment in asap. If paying by internet banking, please ensure you email Brian Budd to let him know you have paid.

If you are looking to compete, then please make sure you pay your membership well in advance, so Brain has time to process the paperwork and send out your new card.

Thank you to those who have already put payment through.

Also, remember to tell others about how to take advantage of our non-competing and family membership deals. See below for more info.

MSNZ Governance Roadshow

This will be in Wellington on 31 August. Jody and Bernie will be there to represent our club, but if others are interested to attend, then let Jody know and we will ensure those who want to can be there.

Thanks to Craig Shepherd and his team for their on going support

Coming Events - 2013

Shelly Bay Sprint

This has now been confirmed for Sunday 15th September. Regs and entry forms are now available on our web site.

As usual, we encourage our members to compete (in caged cars of course). Also, as usual we are looking for assistance and help to run the event on the day.

If you, or others you know, are available to assist, please email wcc@seabrightmotorsport.co.nz to ensure you get the best seats in the house.

Pass this on and let everyone know, either to compete or to help out. The more the merrier.

Assistance Required

Our web site and Facebook page are now our two primary ways of communicating with our members. Therefore we need a couple of people to assist in keeping these updated and keeping the information fresh.

You don't need to commit to hours of work, just a bit here and there to post info and keep things rolling. 2 or 3 people adding info regularly would be all that is needed. Especially to highlight members who are competing and achieving results that otherwise wouldn't be shared.

If you are able to help, and are keen to keep these important links to our wider audience going, then please email wcc@seabrightmotorsport.co.nz and we'll get you set up and running in no time.

Email Addresses Needed

Thank you to those who have advised of recent changes to their contact details.

However, over time email addresses get changed and our mailing list is getting a bit out of date.

Therefore if anyone can advise of the current email addresses for the following people, that would be appreciated. wcc@seabrightmotorsport.co.nz

Membership

Our membership is increasing and the club is looking very healthy. A number of people have taken advantage of our family membership, where we are pleased to welcome a number of sons and daughters.

So don't be afraid to recommend our club to others, we are currently looking at some new venues and negotiating access, so we will be wanting as many competitors and volunteers as we can get to make our club hum again.

The different membership options we offer, apart from ordinary membership are.

Family memberships, where the first family member is an ordinary member (at the standard rate) and then additional family members (in the same household) are only \$20 each.

Non-competing membership, at \$20 is ideal for volunteers and supporters who want to belong to the club, and be involved, but not compete at events. Of course this can always be changed to an ordinary membership later if you do decide to compete.
